The Patient Accounting Department is responsible for timely billing and follow-up of all insurance claims. Claims are sent electronically when possible.

The billing functions will be completed in a manner which is compliant with government and state regulations.

**Discounts are available for accounts paid within 30 days.**

If the account is determined to be self pay, the Hospital will assist patients with the information and direct them to the appropriate agencies where they may apply for government or other funded programs for medical assistance. If denial is received from these sources or the patient chooses not to apply for assistance, an application for Charity Care will be taken.

For the convenience of the patient and the guarantor, the hospital is equipped to accept VISA, MASTERCARD, and DISCOVER.

Bucyrus Community Hospital currently does not apply interest on patient accounts.

Questions regarding a patient bill, financial assistance or payment arrangements, please contact the Patient Accounting Department at 419-562-4677.
