## **Bucyrus Community Hospital Welcomes Dr. Bruce Kinney, OB/GYN**

BUCYRUS – February 25, 2011; Bucyrus Community Hospital is welcoming Dr. Bruce Kinney, board-certified OB/GYN to their medical staff. Dr. Kinney will begin seeing patients at his office located at Bucyrus Community Hospital on March 14. Although his gynecological surgeries will be performed in Bucyrus, Dr. Kinney's OB deliveries will take place at Galion Community Hospital where the Avita OB Unit is already established.

A native of New York, Dr. Kinney has spent considerable time in Ohio where he completed his graduate degree at the University of Akron before attending medical school at Wright State University of Medicine in Dayton, Ohio. After his OB/GYN residency at Aultman Hospital in Canton, he opened a 16-year solo practice in Massillon. In 1990, Dr. Kinney became a Fellow of the American Board of OB/GYN. Before joining Avita Health System, Dr. Kinney was a Clinical Professor of OB/GYN at Pikeville College School of Osteopathic Medicine and was an employed

OB/GYN physician at St. Luke's Health System at Hedrick Medical Center in Chillicothe, MO.

"I look forward to beginning my practice in Bucyrus and moving my family back to a small town," comments Dr. Kinney. "It is with much hope that I build a strong practice in Bucyrus for the women and expecting moms who reside in that area."

For more information or to schedule an appointment with Dr. Kinney, call 419-563-9875 or visit [www.bchonline.org](http://www.bchonline.org).
